

CITY YEAR SEATTLE/KING COUNTY

City Year is an outstanding value in terms of “return on investment.” They have a clearly articulated mission and a research-based approach to working with young people. Great value to the AmeriCorps members as well. It is a win-win-win all the way around!

– SEATTLE PUBLIC SCHOOLS
PRINCIPAL

“ Every day that I put on my red jacket, I am filled up with the love of an entire community and the most sacred trust to take care of their students.”

–CITY YEAR AMERICORPS MEMBER
NINA MONTOYA

I believe in City Year and their ideals. I have seen significant academic impact for my students, many of whom I feel would not have had the same level of growth with only my support.

HELPING SEATTLE'S STUDENTS AND SCHOOLS SUCCEED

In Seattle Public Schools 76% students graduate from high school on time; however, for students of color (Black/African American, Hispanic/Latino, Native American, and Pacific Islander Students) the graduation rate is 58%. All students have the capacity to be learners and leaders, to master the academic content and develop the social-emotional skills and mindsets needed to succeed in our increasingly complex world.

Our AmeriCorps members link arms with teachers, administrators, district leaders, and community champions to drive academic and behavioral supports for every
